At Wayne County Health Communities, we offer quality, respectful, and culturally-sensitive primary medical care to patients of all ages. Our services include:

Primary Care & Chronic Disease Management

We see patients of all ages. Our team can help you manage your diabetes, high blood pressure, asthma, or any other conditions

Pediatrics

We provide many preventative services to your children so they can spend more time being a child & less time being sick

Women's Care

We are here to offer you care during pregnancy, pap smears and breast cancer screenings, family planning along with managing your menopause or periods

Immunizations

When you are our patient, you can count on us to keep you updated on your shots all year round

Dental

A beautiful, healthy smile can be your best asset and will do wonders for your self confidence. Our professional dental staff offers a full range of general dentistry services

Additional Services

✓ Behavioral Health

We understand life can bring overwhelming challenges. That is why we offer counseling, to provide you with support and tools to work through your struggles and live a more fulfilled life. Opioid and substance use disorder treatment programs are also available.

✓ Telehealth

We provide services virtually to minimize the spread of the novel Coronavirus. To promote ease of access to services, both primary care and behavioral health services are available by phone and video. Learn more by asking your provider

✓ Outreach (Insurance Help)

Always available to help you apply for Medicaid, ACA coverage, MOMS insurance & understand any letters you may get after applying

✓ Women Infants & Children (WIC)

For qualifying families, WIC can provide some food, nutrition & breastfeeding education to both mother and child

✓ Free Healthy Lifestyle Classes

That's right FREE! Stay healthy and active by joining us once a month to discuss breastfeeding, healthy eating, exercise, and blood pressure management.

✓ Free COVID-19 testing

Testing is available by appointment only. Please call to make an appointment.
