

Home Language Survey

Michigan welcomes families of all language backgrounds. Speaking more than one language is a valuable asset! Please answer the two questions below. If your response to either question is a language other than English, the school district will give an assessment to see if your student may benefit from English language support. This information will be used by Hamtramck Public Schools to determine the number of children who should be provided bilingual instructional services according to Sections 380.1151-380.1158 of the School Code of 1976, Michigan's Bilingual Education Law.

For the person completing this survey, what is your relationship to the student?
